

DANLAW, INC., SOFTWARE LICENSE AGREEMENT
IMPORTANT NOTICE

THIS LICENSE AGREEMENT REPRESENTS THE ENTIRE AGREEMENT BETWEEN YOU (THE "LICENSEE") AND DANLAW, INC. ("DANLAW") CONCERNING THE PROGRAM(S) AND DOCUMENTATION DELIVERED HEREUNDER.

1. DEFINITIONS.

1.1. "Licensee" means you, whether an individual or an entity, to whom Danlaw grants the License, and who are responsible for complying with the contractual obligations of the License, and ensuring that anyone permitted access to the Programs also complies with such obligations.

1.2. "Affiliate" means a legal entity which is controlled by, or controls, or is under common control with Licensee. Control means (i) beneficial ownership of at least fifty percent (50%) of the voting securities of a corporation or other business organization with voting securities, or (ii) a fifty percent (50%) or greater interest in the profits and capital of a partnership or other business organization without voting securities.

1.3. "Documentation" means the user guides or online help files, if any, accompanying delivery of a Program, as may be updated from time to time.

1.4. "Internal Operations" means the use of a Program by employees, consultants, and student interns of Licensee or an Affiliate on behalf of the Licensee or Affiliate.

1.5. "Licensed User" means a user of the Programs, designated by the Licensee as authorized to use the Programs for Licensee's Internal Operations, to the extent permitted by the License Option acquired.

1.6. "License Option" means the specific rights, restrictions, and obligations under which Licensee may install and use a Program pursuant to this Agreement, as described in Article 4, below. License Options include (a) Node-Locked (Fixed); and (b) Floating (whether Site Floating, Regional Floating, or Global Floating).

1.7. "Processor" means a single integrated circuit on the motherboard of a computer that contains one or more cores which are used for interpreting software instructions and processing data contained in computer programs.

1.8. "Program" means the computer software delivered and licensed hereunder, including Documentation, enhancements and error corrections. Each product from Danlaw is a separate Program.

1.9. "Third Party" means any person or legal entity that is not Danlaw, the Licensee, or an Affiliate.

2. ACCEPTANCE AND REFUNDS. If Licensee does not accept the terms and conditions of this License, or if Licensee terminates this License, for any reason, within thirty (30) days of Program delivery (the "Acceptance Period"), then Licensee shall immediately return the Programs licensed hereunder to Danlaw and, if returned within the Acceptance Period, shall receive a full refund. By retaining a Program throughout the Acceptance Period, Licensee accepts the applicable rights, and agrees to be bound by the applicable obligations and restrictions, of this Agreement including the License Option acquired with respect to that Program.

3. LICENSE GRANT. Danlaw hereby grants to Licensee, subject to the terms of this Agreement, a nonexclusive license (the "License") to:

3.1. install and use the Programs solely on computer systems controlled by Licensee, in accordance with the License Option acquired, and solely for Internal Operations;

3.2. provide access to online Documentation on Licensee's intranet, provided it is not accessible over the open Internet; and

3.3. print portions of the online Documentation for reasonable use by Licensed Users.

4. LICENSE OPTIONS. At the time the License is acquired, Licensee must select a License Option from those offered on Danlaw's then-current price list. If the License Option is not specified on Licensee's order, Danlaw shall determine the License Option for Licensee by comparing the price paid to Danlaw's then-current price list, less the appropriate discount, if any.

4.1. The Node Locked (Fixed) License Option means that Licensee may install the Program on a single, designated computer, provided the Programs are only operated from that computer's local I/O devices (monitor, keyboard, mouse, etc.), by only one individual at any given time. Licensee may re-designate the computer to a different computer, whether temporarily or not, no more than four (4) times per year.

4.2. The Floating License Option means that Licensee may have only as many users simultaneously operating the Program at any given time as the number of licenses acquired for that Program. Licensee must use the Danlaw license server and any other procedures necessary to limit unauthorized usage. Danlaw must be notified in writing of

the location of the license server. Licensee may install the Program on any computer that has access to the license server, through the corporate network, that is within the geographic limitations specified for Licensee's licenses.

4.3. Floating License Geographic Limitations: A Floating license may be Site Floating, Regional Floating, or Global Floating.

4.3.1. The Site Floating license may only be used within 3 km. of the location of the license server. Licensees of the Site Floating License Option are prohibited from providing Program access to users located more than 3 km. from the location in which the license server is installed.

4.3.2. The Regional Floating license may be used anywhere within a specified region, for example, North America, Europe, etc. The applicable region must be defined in writing by Danlaw prior to acceptance of the order. Licensees of the Regional Floating License Option are prohibited from providing Program access to users located outside the specified region.

4.3.3. The Global Floating license may be used anywhere in the world.

4.4. Licensee is responsible for ensuring that the total number of Users of each Program does not exceed the number of licenses acquired for each Program. Where there are multiple users, Licensee shall be responsible for, and shall assign a central administrator the task of, accurately counting and controlling the number of Users allowed access to each Program, and installing and administering the Programs including new versions of the Programs delivered during any paid Support and Update Service term.

5. LICENSE RESTRICTIONS. The License is subject to the express restrictions set forth below. Licensee shall not, and shall not permit any Third Party to:

5.1. modify, or create any derivative work of, any part of the licensed Programs, without Danlaw' prior written consent. Notwithstanding anything to the contrary contained herein, any such permitted modifications must be consistent with all other terms of this Agreement;

5.2. adapt, translate, copy, or convert all or any part of a Program in order to create software, a principal purpose of which is to perform the same or similar functions as Programs licensed by Danlaw or to replace any component of the Programs;

5.3. rent, lease, or loan the Programs; use the Programs for supporting Third Parties' use of the Programs, time share the Programs, or provide service bureau use;

5.4. disassemble, decompile, reverse engineer the Programs or otherwise attempt to gain access to its method of operation or source code (other than files provided for convenience in source code form by Danlaw);

5.5. sell, license, sublicense, publish, display, distribute, disseminate, assign, or otherwise transfer (whether by sale, exchange, lease, gift, or otherwise) to a Third Party the Programs, any copy or portion thereof, or any License or other rights thereto, in whole or in part, without Danlaw' prior written consent;

5.6. alter, remove, or obscure any copyright, trade secret, patent, trademark, logo, proprietary and/or other legal notices on or in copies of the Programs;

5.7. use Danlaw's name, trade names, logos, or other trademarks of Danlaw or any of its Affiliates or Licensors in any advertising, promotional literature or any other material, whether in written, electronic, or other form, distributed to any Third Party, except in the form provided by Danlaw, and then solely for purposes of identifying Danlaw' Programs;

5.8. provide access (directly or indirectly) to the Programs via a web or network Application, without Danlaw' prior written consent;

5.9. copy, make available for copy, or otherwise reproduce the Programs, in whole or in part, except either (a) as may be required for their installation into computer memory for the purpose of executing the Program in accordance with the License Option acquired, (b) with Danlaw' prior written consent, or (c) to make a reasonable number of copies solely for back-up purposes provided that any such permitted copies shall reproduce all copyright, trade secret, patent, logo, proprietary and/or other legal notices contained in the original copy obtained from Danlaw;

5.10. access or use Programs that Licensee is not currently licensed to access or to use;

5.11. disclose the personal license password and/or license file to a Third Party or allow them to be used except for installation and use of the Programs as provided herein;

5.12. republish the Documentation, except as expressly permitted in Article 3;

5.13 create a server, for code generation, compilation, or other Programs; and/or

5.14. use the Programs to make or distribute its own or a Third Party's Application, a principal purpose of which, as reasonably determined by Danlaw, is to perform the same or similar functions as programs licensed by Danlaw, or which replaces any component of the Programs. Licensee shall not otherwise use the Programs to compete with the

products or businesses of Danlaw, including by distributing any form of an entire Program or a substantial portion of any Program.

6. TRAINING. Licensee will ensure that at least one of its employees has completed the basic training course reasonably required by Danlaw, and that such trained employee(s) are the people within Licensee's organization who are responsible for interactions with Licensor on maintenance and support matters.

7. ADDITIONAL FEES. The fees for the License granted herein are determined based upon Licensee's installation and use of the Programs in the country in which the original delivery of the Programs occurs. Danlaw may charge Licensee an additional fee for any subsequent installation and use of the Programs licensed hereunder in any other country.

8. RETENTION OF RIGHT, TITLE AND INTEREST BY DANLAW. The Programs shall at all times remain the property of Danlaw and Licensee shall have no right, title, or interest therein, except as expressly set forth in this Agreement. Licensee shall take appropriate action by instruction, agreement, or otherwise with any persons permitted access to the Programs, so as to enable Licensee to satisfy its obligations under the terms of this Agreement.

9. SUPPORT AND UPDATE SERVICE. During any paid Support and Update Service (SUS) term, if applicable, Danlaw shall provide SUS for the licensed Programs which consists of: delivering subsequent releases of the Programs, if any, that are not charged for separately; exerting reasonable efforts to both (a) provide, within a reasonable time, workarounds for any material programming errors in the current release of the Programs that are directly attributable to Danlaw, and (b) correct such errors in the next available release, provided Licensee provides Danlaw with sufficient information to identify the errors. During this same paid SUS term, Licensee shall also be entitled to receive technical support for the current release. Technical support means assistance by telephone, fax, and/or electronic mail with the installation and/or use of the then-current release of the licensed Programs, including all available bug fixes and patches, and their interaction with supported hardware and operating systems ("Platforms"). Technical support shall be available during regular business hours in the U.S. Eastern Time Zone. Danlaw reserves the option to discontinue, in whole or in part, and at any time, offering SUS and/or technical support for any Program or Platform.

10. LICENSE DURATION ("TERM"). This Agreement shall continue until the earlier of (a) termination by Danlaw or Licensee as provided below, or (b) such time as there are no Programs being licensed to Licensee hereunder.

10.1. For Term Licenses: Licensee understands and agrees that each Term License will expire automatically immediately after the corresponding period of the term licensed, unless Licensee renews its License by remitting the then-current term License Fee. Licensee understands that the Programs will stop operating unless Licensee pays the license fee and is provided new term passcodes (if applicable). Licensee understands and agrees that the SUS for each Term License will terminate automatically upon expiration of the License Term.

10.2. For Perpetual Licenses: Licensee shall have the right to use the Programs indefinitely, subject to the termination provisions in this Agreement. Licensee understands and agrees that the SUS for each Perpetual License will terminate automatically upon expiration of the initial SUS term included with the acquisition of the License. Thereafter, the SUS term may be renewed for any Program, at the then-current price, and for the then-applicable term, as long as Danlaw offers such SUS for such Program.

11. TERMINATION. Danlaw may terminate this Agreement and all Licenses granted hereunder by written notice to Licensee if Licensee breaches any material term of this License, including failure to pay any License fees due, and Licensee has not cured such breach within sixty (60) days of written notification. Danlaw may immediately terminate upon notice this Agreement and all Licenses granted hereunder should Licensee breach the terms and conditions of Articles 3, 5, and/or 12. Licensee may terminate this License at any time, for any reason. Licensee shall not be entitled to any refund if this License is terminated, except for License fees paid for any Programs for which the Acceptance Period has not expired at the time of termination. Upon termination, Licensee shall promptly return all but archival copies of the Programs in Licensee's possession or control, or promptly provide written certification of their destruction.

12. EXPORT CONTROL. The Programs may be subject to U.S. export control laws or other (U.S. and non-U.S.) governmental export and import laws and regulations. Notwithstanding any other term of this Agreement or Third Party agreement, Licensee's rights under this Agreement may not be exercised by Licensee or any Third Party in violation of such laws and regulations, nor may this Agreement be transferred to any party where doing so would result in such a violation. The terms of any limitation on the use, transfer or re-export of the Programs imposed by Danlaw in any Destination Control Statement or other document for the purpose of export control shall prevail over any term in this Agreement. It shall be Licensee's responsibility to comply with the latest United States or other governmental export and import regulations.

13. TAXES, DUTIES, CUSTOMS. Absent appropriate exemption certificates or other conclusive proof of tax exempt status, Licensee shall pay all applicable sales, use, excise, value-added, and other taxes, duties, levies, assessments,

and governmental charges payable in connection with this Agreement or the Licenses granted hereunder, excluding taxes based on or measured by Danlaw' income, for which Danlaw shall be solely responsible.

14. **ASSIGNMENT.** Licensee may not assign or otherwise transfer this Agreement and its rights and obligations hereunder, in whole or in part, by operation of law or otherwise, without the prior written consent of Danlaw. In the case of any permitted assignment or transfer of or under this Agreement, this Agreement or the relevant provisions shall be binding upon, and inure to the benefit of, the successors, executors, heirs, representatives, administrators and assigns of the parties hereto. Danlaw may charge Licensee an administrative fee for any permitted assignment.

15. **LIMITATION OF LIABILITY.** The Programs should not be relied on as the sole basis to solve a problem or implement a design whose incorrect solution or implementation could result in injury to person or property. If a Program is employed in such a manner, it is at the Licensee's own risk and Danlaw and its Licensors explicitly disclaim all liability for such misuse to the extent allowed by law. Danlaw's liability for death or personal injury resulting from negligence or for any other matter in relation to which liability by law cannot be excluded or limited shall not be excluded or limited. Except as aforesaid, (a) any other liability of Danlaw (whether in relation to breach of contract, negligence or otherwise) shall not in total exceed the amount paid to Danlaw under this Agreement in the twelve month period preceding the claim in question, for the Program with respect to which the liability in question arises; and (b) Danlaw shall have no liability for any indirect or consequential loss (whether foreseeable or otherwise and including loss of profits, loss of business, loss of opportunity, and loss of use of any computer hardware or software). Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above exclusion or limitation may not apply to Licensee.

16. **LIMITED WARRANTY/LIMITATION OF REMEDIES.** Danlaw warrants that it has the right to grant the License rights hereunder. Danlaw warrants that the physical media provided shall be free from defects in material and workmanship for a period of ninety (90) days from delivery, or they will be replaced by Danlaw at no cost to Licensee. Danlaw further warrants, for a period of one (1) year from delivery or for the term of the License, whichever is less, that each copy of each Program will conform in all material respects to the description of such Program's operation in the Documentation. In the event that a Program does not operate as warranted, Licensee's exclusive remedy and Danlaw's sole liability under this warranty shall be the correction or workaround by Danlaw of major defects within a reasonable time. Should such correction or workaround be impractical, Danlaw may, at its option, terminate the relevant License and refund the initial License fee paid to Danlaw for such Program. All requests for warranty assistance should be directed to Danlaw, Inc., 5840 N Canton Center Rd, Ste 270, Canton, MI 48187, U.S.A.

17. **DISCLAIMER OF WARRANTIES.** Except for warranties expressly set forth in Article 16 of this Agreement (or as implied by law where the law provides that the particular terms implied cannot be excluded by contract), any and all Programs, Documentation, and Support and Update Services are delivered "as is" and Danlaw makes and the Licensee receives no additional express or implied warranties. Danlaw hereby expressly disclaims any and all other conditions, warranties, or other terms of any kind or nature concerning the Programs, Documentation, and Software and Update Services (including, without limitation, any with regard to infringement, merchantability, quality, accuracy, or fitness for a particular purpose or Licensee's purpose). Danlaw also expressly disclaims any warranties that may be implied from usage of trade, course of dealing, or course of performance. Except for the express warranties stated in Article 16 of this Agreement, the Programs, Documentation, and Support and Update Services are provided with all faults, and the entire risk of satisfactory quality, performance, accuracy, and effort is with Licensee. Danlaw does not warrant that the Programs and Documentation will operate without interruption or be error-free. Some states and countries do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to Licensee. The warranty in Article 16 gives Licensee specific legal rights and Licensee may also have other rights which vary from state to state and country to country. Licensee accepts responsibility for its use of the Programs and the results obtained therefrom.

18. **GOVERNING LAW; JURISDICTION.** This Agreement shall be interpreted, enforced and construed and the rights of the parties hereunder governed in all respects by the laws of the State of Michigan, United States of America, without regard to its conflicts of law provisions, and both parties consent to the jurisdiction of the federal and state courts located in said State and consent to the service of process, pleadings and notices in connection with any and all actions initiated in such courts. The parties agree that a final judgment in any such action or proceeding shall be conclusive and binding and may be enforced in any other jurisdiction. To the extent any governing law, treaty, or regulation is in conflict with this Agreement, the conflicting terms of this Agreement shall be superseded only to the extent necessary by such law, treaty, or regulation. If any provision of this Agreement shall be otherwise unlawful, void, or otherwise unenforceable, that provision shall be enforced to the maximum extent permissible. In either case, the remainder of this Agreement shall not be affected. The parties agree that the U.N. Convention on Contracts for the International Sale of Goods shall not apply to this Agreement. The parties further agree that the Uniform Computer Information Transactions Act, or any version thereof, adopted by any state, in any form ("UCITA"), shall not apply to this Agreement. To the extent that UCITA is applicable, the parties agree to opt out of the applicability of UCITA pursuant to the Opt-Out provision(s) contained therein.

19. **COMPLIANCE AND AUDIT RIGHTS.** Licensee agrees to notify Danlaw promptly upon discovery of any failure to comply with one or more Licenses granted under this Agreement, or any failure to comply with any other material term of this Agreement. To confirm Licensee's compliance with the terms and conditions of this Agreement, Licensee

agrees to allow Danlaw to audit Licensee's use of the Programs, and to provide Danlaw access to Licensee's facilities and computer systems, and cooperation from Licensee's employees and consultants, as reasonably requested by Danlaw in order to perform such audit, all during normal business hours, and after reasonable prior notice from Danlaw. If an audit discloses that Licensee has failed to comply with one or more Licenses, and such failure to comply could have in part or in whole been avoided by Licensee having paid additional License fees to expand the scope of the License or Licenses, then Licensee shall promptly pay Danlaw such Licensing fees (at Danlaw's then current rates) and, if such unpaid License fees exceed 5% of the License fees paid to Danlaw for the applicable Programs during the applicable period during which such underpayment occurred, then Licensee shall, in addition to paying the unpaid License fees, also reimburse Danlaw the full cost of such audit.

20. LICENSE MANAGEMENT. During installation, you, or the Programs, may send information about the Programs and the computer to Danlaw. This information includes the version of the Programs and machine-specific identification (the "hostid") of the computer. Licensee agrees that such machine-specific identification may be retrieved and utilized by Danlaw for license management purposes.

21. HEADINGS. The inclusion of headings is for convenience of reference only and shall not affect the construction or interpretation of this Agreement.

22. ENTIRE AGREEMENT. This Agreement contains the entire understanding of the parties and may not be modified or amended except by written instrument, executed by authorized representatives of Danlaw and Licensee. In the event of any conflict between this Agreement and any purchase order executed by Licensee (whether executed before or after this Agreement), this Agreement shall prevail.
